Visionary League Presents: Women, Wine, and Tech

For Immediate Release

Visionary League presents: Women, Wine and Tech - Venue 42 on September 19, 2019, from 5:30-9:00 p.m.

Milwaukee, WI - Visionary League of Milwaukee is proud to premiere Women, Wine and Tech: an event focused on Diversity and Inclusion—at Venue 42. Visionary League, founded by Arlando Monk of Milwaukee, Wisconsin is a visionary network of people inspired to converge tech and design. Visionary League connects people of minority representation to opportunities in the IT and Creative Service industries. Women, Wine and Tech will bring together college students, business leaders, entrepreneurs and professionals for an evening of networking, wine tasting and to discuss Diversity and Inclusion issues minority women face in the tech and design industries.

The event will feature guest speaker and presenter Lashonda Hill, inspirational poetry by Lilo Allen and music by Milwaukee's own DJ DripSweat. There will be a raffle drawing as well as membership and sponsorship opportunities for future Visionary League events.

Tickets are \$7 for students and \$15 for general admission.

Tickets can be purchased on their [Eventbrite](#) page or through the official [Visionary League](#) site.
